What will be the impact of this change?)
 Apply Carry out or use a procedure in a given situation; carry out (apply to a familiar task), or use (transfer) to an unfamiliar or non-routine task	o Apply basic formats for documenting sources o Apply use of reference materials and tools for gathering information (e.g., key word searches)	o Use context to identify the meaning of words/phrases o Interpret information using text features (diagrams, data tables, captions, etc.) o Apply simple organizational structures (paragraph outline)	o Investigate to determine how an historical/cultural/political context may be the source of an underlying theme, central idea, or unresolved issue or crisis	o Integrate or juxtapose multiple (historical, cultural) contexts drawn from source materials (e.g., literature, music, historical events, media) with intent to develop a complex or multimedia product and personal viewpoint
